Wolverines Set For Game Here Next Saturday

Douglas Will Come Here For Opening Game Of Season

The Tahoe-Truckee Wolverines, following their first week of heavy practice in preparation for the season opener against Douglas on September 17, are shaping up rapidly under Coaches Jim Brehler and Dan Holub. A total of 48 boys have now been given their physical examinations by Drs. King and Nelson, and have been issued uniforms. Of particular note is a new school district policy, whereby all high school athletes at Tahoe-Truckee are insured to a maximum of $1000 while participating in athletics.

Included in the 1955 roster are 18 lettermen from the 1954 squad, as well as a number of former team members who have not previously lettered. The remainder of the Wolverine Varsity is made up of freshmen and upper graduate students who are turning out for the first time during their high school careers, and a group of transfer students with previous experience.

The opening game with Douglas is set for Saturday, September 17, at 2 p.m. on the Wolverines' field. The following Friday, September 23, the Wolverines will host the South Tahoe Vikings in an afternoon, non-conference tilt scheduled to go at 2:30 p.m. This is a change from the original schedule as announced last week when the two were to meet on Saturday, September 24.

Admission prices for all home games this year, in accordance with a Western Nevada Conference policy, will be $1 for adults, 50c for students without student body cards, 25c for children and students with cards.

With bleachers seating sufficient to accommodate approximately 600 spectators, the high school students and school officials are anticipating large turnouts of local fans for all games to help boost this year's team.

LOCAL BUILDINGS GET BRIGHT NEW FRONTS

The three-story front of the Masonic Hall in Truckee is undergoing a face lifting as painters and decorators, under the direction of Henry Saspari of Kings Beach and San Francisco apply a weather seal coat and permanent beige colored finish to the structure. The application will extend down the west side of the structure and wood finish has been painted.

Next in line for a repainting and redecoration job is the Donner Theater. The Riverside Hotel underwent the process of improvement last week.

Two Children Born At Local Hospital

Two new citizens of the area made their debut at Tahoe Forest Hospital, arriving first was Steven Carl, son of Mr. and Mrs. James Brehler of Tahoe City. The boy was born on September 9 and weighed 6 pounds, 10 ounces.

Mr. and Mrs. Leo Smisek of Truckee became the parents September 12, of a daughter, named Christine Ann. Her arrival weight was 5 pounds, 14 ounces.

Dr. L. D. Nelson was the attending physician on both occasions.

Friendship Night Will Feature Wyethia Meet

The Wyethia Club is planning a friendship night for their meeting on October 7, including a program and smorgasbord, the proceeds to be donated to the Tahoe Forest Hospital for needed equipment.

Tomorrow night at 8 p.m. the regular meeting will be held. Following the business session, Mrs. Ken King will be heard in several violin selections.

Hostesses wil be Mrs. Henry Piche and Mrs. Charles Vind.

Education Group Will See Travel Films Here

Aside from regular business, members of the Tahoe-Truckee Education Association next Tuesday afternoon at 4 p.m. will enjoy seeing two films, "Our Two Weeks in France," and "Swiss Costume Festival," presented by Mrs. Matiloe diSuvero of the high school faculty. The meeting will be presided over by the association president, James Brehler.

RAIN FALLS

A gentle rain fell in this area Wednesday lessening but not completely eliminating the fire hazard which has prevailed here for a number of weeks.

Iowa Woman Dies As Second Victim Of Local Collision

Another victim of a Labor Day weekend crash, which took the life of a sheriff's deputy, died Monday afternoon in a Reno hospital.

Mrs. Mary Marcella Kersey, 51, Des Moines, Ia., succumbed to injuries received in the accident, which took place near the entrance to Donner Lake memorial Park on U. S. 40 just west of Truckee.

Still in critical condition from injuries suffered in the same accident is her brother-in-law, Frank L. Millburn, 46, Colfax, Ia. Less seriously hurt were her husband, Goerge W., and Mrs. Millburn. Sheriffs' Deputy Milton W. Vivian, 41, of Marysville, died instantly in the crash.

Investigating authorities said the Vivian car swerved across a center line, colliding headon with the vehicle carrying the Kerseys and the Millburns. A forest fire not far away is believed to have distracted Officer Vivian's attention from the highway.

Six Accidents In Area During Week

Six accidents in which several people suffered injuries and a truck load of wild horses was demolished, were reported by the California Highway Patrol for the past week.

Joseph G. Allen, Oakland, was cited for speeding after his car got out of control in the "cut" on Donner Summit and crashed into the rocks Tuesday at 9 a.m. Leona Reilly of Oakland was taken to the Tahoe Forest Hospital with minor injuries by the Truckee ambulance. Patrolman T. F. Sheehan investigated.

Earl Lee Hardin of Nyssa, Ore., was cited for speeding by Patrolman Sheehan after a load of wild horses he was transporting shifted and he lost control of the truck. The horses scattered over the area west of Kingsvale but were recovered. The mishap occurred Monday morning.

A car driven by Douglas A. Hutton, Carson City, was forced off the highway Sunday evening four miles north of Truckee and hung over a ten-foot embankment. No one was injured, Patrolman Martin Sturcke made the investigation.

Joan Andregg of Sacramento suffered minor injuries Sunday afternoon when a car driven by Robert Andregg got out of control near Donner Lake Lodge and plunged into the lake. The driver was cited for attempting to pass without sufficient clearance.

Robert Watson of Tahoe City, a pedestrian, suffered injuries when struck Sunday evening by a car driven by Philip N. Storrs of Albany. The accident happened two miles east of Tahoe City. Patrolman Sheehan cited the driver.

Mary Parker, Reno, suffered minor injuries Thursday when cars driven by Jean L. Parker of Sacramento and Mary E. Sanchez, of Reno collided near Floriston. Parker was cited by Patrolman Sturcke.

Advance Night Will Be OES Meeting Feature

The second meeting of the Order of Eastern Star for this month will be held September 20 and will be Advance Night when all line officers advance in station up the line preparatory to next year's work. Mickey and Bud Mandeville will fill the stations of worthy matron and worthy patron, Elmay and Wayne Philippi, associated matron and patron and Lillian Miller, conductress. Mildred Burch will be chairman for the evening and all members are asked to be present.

Mrs. Waggoner Expires

Mrs. John Waggoner, widely known Truckee resident, who with her husband for years had operated a business at Donner Lake, expired this morning after a lengthy illness. Funeral services are being made with the Truckee Colonial Mortuary. The details will be reported later.

Two to Auburn—

Miss Janice Buehler and her brother, Easton, are attending Sierra College at Auburn.

Truckee Taxes To Be Higher; Costs Show Increase

$5.46 Rate Required For County, District Budgets

Cost of government is going up. Local taxpayers this year are faced with higher rates than ever before, the figure ranging from $5.47 per $100 assessed valuation inside the sanitary district to a low of $4.58 for the Floriston area.

Added to the basic county tax of $2.45 are the various local taxes including 2 cents for cemetery district; 20 cents for hospital maintenance; 26 cents for high school interest and sinking and $1.55 for the Tahoe-Truckee Unified School District; 36 cents for sanitary district; 50 cents for the fire district.

Property owners in the fire district but outside the sanitary district will be taxed $5.11, while in the Donner Trail School District, the rate will be $5.20, there being a 62 cent tax there on the Donner Summit Utility District.

MURPHY'S BOAT IS WINNER IN ANNUAL GOLD CUP RACES

TAHOE CITY — On official points, J. Philip Murphy's Breathless Saturday won the Gold Cup trophy mile high regatta for speedboats.

But, by gentlemen's agreement proposed by Murphy, of Piedmont, the $5000 Mapes Gold Cup trophy went to industrialist Henry J. Kaiser's brand new Hawaii Kai.

A damaged propellor shaft kept Hawaii Kai out of the hydroplane race's first heat, which was delayed an hour while the Kaiser crewmen tried to get it repaired.

With a new shaft, the Hawaii Kai, piloted by Ken St. Oegger of Las Crescenta, won the final two heats.

Murphy's Breathless, driven in the first two heats by Floyd Ciochon and in thethird by Murphy's son, Roger, placed third in the first and second in the final two.

TAHOE GIRL WINS U.C. SCHOLARSHIP

The Berkeley campus of the University of California has awarded a Richard D. and Kate Faulkner scholarship to May Sorensen of Tahoe Vista, Lake Tahoe, the university committee on undergraduate scholarships announced.

The university committee, in announcing the name, said the scholarship represents a "real distinction." The awards are based primarly on scholastic achievement.

Miss Sorensen is a freshman majoring in letters and science. She graduated this spring from the Tahoe Truckee High School.

Halls Go South—

Mr. and Mrs. Robert Hall who spent the summer with Mr. and Mr. and Mrs. Keith Stewart and Mr. and Mrs. Wesley Fair have returned to Long Beach with their granddaughter, Diana Fair. They plan to come back during the hunting season.

Move to Oroville—

Mrs. Richard Box wrote this week that they are moving from Oregon to Oroville to make their home.

SUNBEAMS

By WALTER M. BARRETT

We are all well aware of the problem facing our board of supervisors—especially where finances are concerned—and we sympathize with their desire to pare expenses whenever and wherever possible, but we certainly can't go along with the apparent reluctance to provide this end of the county with a second deputy sheriff. Nor can we agree that we must incorporate to obtain this type of service, in view of the fact that we are currently paying at least our part of every cost involved in the county government. It is ridiculous for us to expect one man to devote 24 hours a day, every day of the year, to give us police protection at the salary he receives, when we are charged with providing ten times that number for the western end of the county. We still have every hope that the board will grant the urgent request and give us the extra man. We can't find any sound basis on which refusal can be based but we can offer assurance that stalling tactics can not breakdown the need nor eliminate the demand.

Three To Appear On Charge Of Violating Hunting Season Law

Luke Spinks, Dean Rutter and Raymond G. Therriault, all of the Auburn district, were cited by Game Wardens Erwin Single and Everett Robinson Monday evening for having illegal deer meat in their possession.

The three were located in a logging camp near Devil's Peak and when the wardens approached they found the trio preparing dinner with a pan of choice chops on the fire.

An inquiry from the officers brought the reply that the meat was lamb chops, but a little investigation revealed the source and it was certainly not a sheep, Warden Single declared.

The three are to appear Friday before Judge Crowe at Colfax.

IMPORTANT SESSION OF LEGION CALLED

A special meeting called by Robert Leamon, commander of the American Legion Post, No. 439, will be held Tuesday evening, September 20, all members are urged to attend.

The previous meeting called for September 6 was of necessity postponed because members and other volunteers were fighting a forest fire close to Truckee.

QUEEN CONTEST

Arrangements are being made to stage a queen contest in connection with the annual buck stew sponsored by the Truckee Outdoor Sportsmen and slated for Sunday, October 9 at Capitol Hall. Vice President Chas. Osburn is arranging the details.

Family From Fresno—

Mr. and Mrs. John Fitzgerald and children of Fresno have been guests of her father, Cecil Edmunds.

Another Delay In Deputy Decision Prompts Action

Board Chairman Says Area Should "Help Self" With Needs

Another delay in the authorization for a second deputy sheriff to serve the thousands of residents of the eastern end of Nevada County was announced following the meeting of the board of supervisors Monday.

The matter was tabled until the October 3 regular session when all five members of the board may be present. Supervisor Jay Coughline was unable to attend Monday's session because of an injury to his back.

Supervisor H. G. Loehr strongly recommended the authorization, pointing out the fact that the region is now served by only one deputy, while the population shows marked increase and the demand for official protection continues to grow. Chairman John Frank again suggested that the local community incorporate to provide its own law enforcement facilities.

"If the board gives them necessary things such as this," Frank is quoted as saying, "they never will do anything for themselves."

What Frank didn't say, apparently, was that this end of the county provides a considerable portion of the county's tax revenue and is asking for very little in return. The matter of incorporation is currently being studied by the Truckee Chamber of Commerce, but no decision on whether an election for the purpose will be held has been made.

In the meantime, the need for law enforcement here to give needed protection to those people and businesses which are contributing more than $5 per $100 assessed valuation to the county coffers, is certainly not lessening.

Hal Welch, president of the local chamber, said this week he plans to attend the October session and urged all possible support from local interests. This support has been given by Loehr who said he would continue to work toward securing a second deputy.

Farida Bausch Fete At Pre-nuptial Party Here

Miss Farida Bausch, bride-elect of William Briner was complimented at a pre-nuptial party with Mrs. L. D. Nelson as hostess on Monday evening.

A shower of miscellaneous gifts were presented to the feted guest followed by a buffet supper.

Miss Bausch and Briner plan to have a small church wedding at San Francisco on September 17 and it is believed the well known local couple will return to make their home here.

Other guests at the pleasant affair are Mesdames Conrad Briner, Gilbert Kumle, Roy Baker, Jack Neugebauer, John McGlade, Robert Affeldt, Daven Morey, A. Allison, N. Holub, Herbert Copeland, Dr. Monica Briner.

EXPIRES IN SOUTH

LAKE FOREST— Walter Franklin, a resident of Los Angeles who also has a home at Lake Forest, died in the southern California city Monday, according to a brief message from there. He had been ill for a long time. His wife, Mrs. Vivian Franklin survives.

IMPROVE PARSONAGE

The Methodist Church parsonage occupied by Rev. and Mrs. Wesley Osman is being renovated on the outside with two shades of green shingles and a front porch is being replaced to modernize the appearance of the house.

KILLED BY TRAIN

Robert Fealey, a former Truckee resident and at one time employed here by the Standard Oil Company, was killed Monday when he was struck by a train at Colfax. He had recently been employed as a dishwasher at a Colfax hotel.

Sees Aunt—

Larry Evans and Don Quick of southern California visited the latter's aunt, Mrs. Cecil Clepper, last week before going to Berkeley where they are attending the university.

Travel Slows But Truckee Holds 2nd Place On Borders

Although traffic into California over U. S. Highway 40, showed a drop of nearly 10,000 vehicles during August as compared to the peak monthof July, the local office of the California Department of Agriculture was still in a strong second place among the 17 reporting quarantine stations.

During August, 68,198 automobiles, 3475 trucks and 817 buses were checked at the station here, compared to more than 80,000 vehicles in July. The figure was about even with the August, 1954 mark when 69,486 cars were checked here.

The decrease during August is compared to July was reflected in all other stations, with Yermo, the highest in the state showing a drop of approximately 15,000 cars.

At Meyers on Highway 50, 25,648 cars, 320 trucks and 75 buses were checked during August, a decrease of some 3000 compared to the July figures.

With the exception of Yermo, no station on the state's borders had half the number of vehicles entering the state as did the Truckee station.

Street Work Is Delayed For Time

There being no bids received at the meeting of the board of supervisors Monday for $20,000 worth of street grading and surfacing in Truckee, the matter was delayed for the time being.

Supervisor H. G. Loehr said he had hopes the work could be done this fall through the Gill Construction Company which had been doing road work for the state in the area. Complications arose, however, which made this impossible at the present time and a new approach is being sought. Loehr said he would do everything in his power to expedite the work this year, but that if this becomes impossible, the appropriation allocated for the project will be carried over until spring.

Loehr said he is studying two or three methods under which the work can be done, and expressed disappointment over the delay.

Unique Membership Drive By Tahoe Club

TAHOE CITY—Opening their fall and winter activities, the Squaw Valley Lake Tahoe Ski Club is sponsoring a golf tournament for all residents of this area as a membership drive to join the club, the date having been set for October 2, according to William Briner.

Carl Bechdolt, Jr., has given the ski club the use of the facilities of his Tahoe City Golf course for the day.

Only two clubs may be used for this game, making it possible for everyone to play.

Official Report Will Be Given At Lodge Meet

Marian Bates, district deputy grand chief of District No. 8, will make her official visit to Summit Temple, No. 79, Pythian Sisters, at the meeting to be held Thursday, September 22. Other distinguished officers to visit socially will be Florence Rankin, grand chief of the organization and Faye Hardwick, junior past grand chief.

Edith Welch, M.E.C., will preside at the affair which will be concluded with serving refreshments.

Truckee Pair Injured In Crash Near Colfax

ROSEVILLE—Karl Kuttel and his wife, Verna, of Truckee, Nevada County, were taken to the Highland General Hospital in Auburn with injuries suffered in a traffic accident on U. S. Highway 40, west of Colfax.

According to the highway patrol, Kuttel attempted to pass a truck on a curve and his automobile went out of control, left the road and rolled down an embankment Sunday. He was cited on a charge of illegal passing.

Governor Selects Commission For Olympic Games

Group Charged With Plan To Prepare For Big 1960 Contests

Gov. Goodwin J. Knight Tuesday announced the appointment of five members of the California Olympics Commission, which was created by the 1955 session of the legislature. These are Charles R. Blyth of San Francisco, Reese H. Taylor of Los Angeles, John Garland of San Marino, Walter M. Barrett of Truckee, and Allen D. Christensen of Atherton. The governor has designated Blyth as chairman of the commission.

Blyth has been president of Blyth and Company of San Francisco since 1941. He is a director of the Crown Zellerbach Corporation, Pacific Transport Lines and other corporations.

Taylor has been president of the Union Oil Company of California since 1938. He is a director of the Freedoms Foundation, the Los Angeles YMCA and the Los Angeles Chapter, American Red Cross. During World War I he served in the U. S. Army.

Garland, a Los Angeles County realtor, has been an active member of the International Olympics Committee for the United States for many years. He is also a trustee of Good Samaritan Hospital and formerly was a member of the California Real Estate Commission.

Barrett has been publisher of the Sierra Sun and Truckee Republican at Truckee since 1936. Prior to that he served as editor of other newspapers. He is an overseas veteran of World War I.

Christensen is president and general manager of the Utah Construction Company of San Francisco. He is also vice president and director of the Pima Copper Company, Associated Ocean Freight Services and other corporations. Since 1931 has been with the Utah Construction Company, becoming president in 1954.

FIREMEN BUSY THIS YEAR, REPORT SAYS

Discussion of completion of the new Truckee fire station and conversion of the old rescue truck into a tanker featured Tuesday night's meeting of the Truckee Volunteer Fire Department at Cozzi's.

Fire Chief N. F. Dolley reported the tanker will be ready for service by the opening of the deer hunting season.

It was revealed at the meeting that since May 10, the local department has responded to 16 alarms and that because of the sawmill fire several weeks ago, the losses are at a high figure for many years. Twenty-two members attended the session.

Brief Resident Expires At Home In Truckee

Funeral services are pending with the Truckee Colonial Mortuary for William C. Barnard, 67, a Truckee resident for a brief period who died at his home here yesterday from an apparent heart attack.

A native of Louisiana, Barnard was a retired operator for the Western Pacific and until recently made his home at Reno.

He is survived by his wife, Ruth, of Truckee and five children who reside in Arkansas.

CHANGE ANNOUNCED IN MASS SCHEDULES

Father P. J. O'Niell this week announced that until further notice masses will be held at the Truckee Catholic Church at 9:30 a.m., at the Tahoe City Church at 8 and 11 a.m. and at Kings Beach at 7 and 11:30 a.m.

Hotel and motel operators are asked by Father O'Niell to clip this item for reference to provide information for guests.

Dog Destroyed As Fire Wipes Out Local Home

Starting from an undetermined cause, a fire Sunday morning at 9 o'clock destroyed a small cabin in the rear of the William Robles home on Cora street, destroying a small dog which had been kept inside the house.

The house was occupied by Mr. and Mrs. William Wallace who were not at home at the time of the fire.

The volunteer fire department prevented spread of the threatening flames.

MEET POSTPONED

TAHOE CITY—Mrs. Edna B. Obexer, president of the Tahoe Lake School Parents and Teachers Association at Tahoe City announced on Tuesday that the meeting scheduled for September 15 has been postponed until 7:30 p.m. Thursday, September 22.

Smart's New Restaurant Scheduled To Open At Truckee-Tahoe "Y" Friday

Preparations for the opening of Smart's, this region's newest and most modern dining unit, are being rushed this week with Friday, September 23 fixed as the initial opening date.

While there remains considerable detail work to be accomplished, the owner and operator, Reg Smart, said today he has every hope the dining room, bar and cafeteria will be in operation next week.

In the meantime, contractors are winding up their work on the big unit, occupying 7500 square feet at the Truckee-Tahoe Wye.

Fixtures and furniture have arrived, the kitchen and bar equipment are ready for installation and even supplies have been ordered.

The attractive exterior is completed with concrete brick, glass and stucco, a bright green color predominating. The rounded glass corners and the high facaded front, flat roof and sloping shaded windows offer an inviting picture.

The main entrance leads into the dining room and cocktail lounge. The former 40x32 feet, can comfortably seat 100 guests, with the cocktail lounge, being fitted out with a bar, extends across the section with provision made for service to tables.

Separating the dining room and

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS)—A couple of years ago, when Senator Harold T. Johnson of Placer County conducted an extensive survey of adult education in California, a few changes in the state law were effected to eliminate some of the courses offered which were considered unnecessary as far as the health and welfare of the public is concerned.

The wishes of a state legislature, however, which is the direct representative of the people of the state, appear to have little effect upon the educators, who are never at a loss to dream up new ways and means of expending the taxpayers' money.

As a result, the adult educators are at it again. In Sacramento, which is the seat of state government, and a city in which many government employes retire on pensions contributed at least partially by the taxpayers, the adult educators are offering a course at further expense entitled "retirement readiness."

On checking with the adult education department, it was determined that this course is for the purpose of outlining recreation and hobbies for persons who are retired, or who are contemplating retirement.

Thus the taxpayer gets it two ways, first he helps pay for the pension, and second, foots an additional bill to advise the retired employe how to spend the money.

Apparently, the theory is that the retired individual doesn't know what to do with himself or herself when he or she reaches that long-expected day when it is not necessary to show up at the office at 8 a.m., and therefore, it is the obligation of the state to give an adult education course, in the path of future activity may be described.

It is this type of course which has earned educators the questionable name of socialism promoters, and it is further indication that the educational system contemplates taking care of the public "from the cradle to the grave."

For education now starts with the child care center, moves forward to the kindergarten, advances through elementary, junior high school, high school, junior college, and college. Following which there is provision for graduate students, and then begins the long years of adult education which the schools are continuing now all during the life expectancy.

It is a small wonder, therefore, that approximately fifty cents of every tax dollar is required for education. It is also small wonder that many citizens view with alarm not only the increasing demands of the educators for tax money, but also the insidious thought control they are able to exercise over the youth of the country, but the adults as well.

Admittedly, education is a never ceasing process for the fertile mind. But on the other hand, some education at least, must be obtained from the school of hard knocks to be of any value to the individual.

Modern education deprecates this school, and as a result, more and more is being handed to the succeeding generation on a silver platter, until in a generation or so hence, it is not inconceivable to predict that future citizens will expect almost everything for free. At least, the tendency points in this direction.

Special Elk Hunt Will Be Held In Inyo County

A special tule elk hunt, in which 150 animals may be taken, was set for Inyo County by the fish and game commission at its Los Angeles meeting.

To be taken in the December 3-11 hunt will be 40 bulls and 110 cows, the commission decided.

Applications for permits, accompanied by one dollar, must be in the department's Sacramento office, 926 Jay street, by October 6. A drawing will be held October 17. A ten dollar fee will be required of successful applicants. Applications are now being distributed to license agents, and are different from those used in special deer hunts.

The King salmon comprises more than 90 per cent of the commercial California catch of these fishes.

Driver Stops To Aid Truck, Gets Tickets For Law Violations

ROSEVILLE—Playing the part of a good Samaritan resulted in Ralph J. Zegers of Santa Barbara receiving two traffic citations and the placing of his wife, Una, and three of his eight children in a hospital.

The California Highway Patrol reported Zegers, driving a station wagon with its load of 10, came upon a disabled tanker truck on US Highway 40, east of Cisco, Placer County, and offered aid to the driver.

Moments later his vehicle was struck by a truck-trailer driven by Dick H. Scoonover of Lodi, San Joaquin County.

Mrs. Zegers was taken to the Tahoe Forest Hospital near Truckee, Nevada County, with a fracture of a leg, and her children, Barbara, 9, Richard, 10, and Sharon, 11, remained to be treated for lesser injuries. The other children suffered minor hurts. Zegers was cited for parking illegally on a highway and for non possession of an operator's license.

Liquor Establishments Must Close In Alert

SACRAMENTO (CNS) — The state disaster council has adopted an order whcih would close all California liquor establishments in event of an impending enemy attack.

The order was included in a series of 10 orders adopted by the council giving the governor sweeping powers over state government and local civil defense units in conducting evacuation and relief work should an extreme emergency be declared.

At the same time, Governor Knight disclosed he will attend a meeting of the president's committee on civil defense advisory council in Omaha September 20 and 21.

The liquor order would apply to all holders of state alcoholic beverage license holders.

CERTIFICATE OF COPARTNERS DOING BUSINESS UNDER FICTITIOUS NAME

KNOW ALL MEN BY THESE PRESENTS:

We, the undersigned, EDWARD F. HOLTZ and ANITA L. HOLTZ, do hereby certify:

That we are copartners transacting business in the State of California, under the fictitious name and style of ANITA COURT; that the principal place of business of said copartnership is situated on Highway 40, approximately one and one-half miles west of Truckee, County of Nevada, State of California, and that the names in full of all the members of said copartnership, and their respective places of residence are as follows, to-wit:

EDWARD F. HOLTZ, Post Office Box 133, Truckee, California.

ANITA L. HOLTZ, Post Office Box 133, Truckee, California.

IN WITNESS WHEREOF we have hereunto set our hands this 30th day of August, 1955.

EDWARD F. HOLTZ
ANITA L. HOLTZ

STATE OF CALIFORNIA,)
)ss.
County of Nevada)

On this 30th day of August in the year one thousand nine hundred and fifty-five, before me, Joseph W. Day, a Notary Public in and for the County of Nevada, State of California, residing therein, duly commissioned and sworn, personally appeared Edward F. Holtz and Anita L. Holtz known to me to be the persons whose names are subscribed to the foregoing instrument and acknowledged to me that they executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal at my office in the County of Nevada, the day and year in this certificate just above written.

(SEAL)

JOSEPH W. DAY
My Commission expires August 20, 1958.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Closing

Places are closing up right and left. It seems too bad as there are lots of people still around. You can hear them say, "Well, everyone is closing so the season is over so we had better pack up too," and away they go missing the best time of the year, the beauty of the area is yet to come.

Burning

If you are intending to close your home for the winter, take all your rubbish to the dump, don't take chances of burning it around the house. The forest is dryer than it has been for many years. Of course dumping may cost you half a dollar, on the other hand it may cost you $100 unless you are extra careful and abide by the law.

Closed Part Time

Just left Joby Lewis'. A big crowd was on hand, and it looked like the middle of July instead of the middle of September, but I was disappointed to hear that he intends to close his Monte Carlo Club from the first of October till about the twentieth of December, and then, we can, as Joby says, all have a merry Christmas. Joby had, it would seem, an excellent business at Crystal Bay this year especially since not opening up til half the season was well underway. Anyway we shall be looking forward to the opening when the snow is on the door step.

New Subscriber

Mrs. Fred D. Hatfield, a summer resident—that is a small part of the summer—came to the house tonight especially to order the Sierra Sun to be sent to her home in Los Angeles. Says she wants to get all the news of the progress that goes on in this area.

Hunters

Was surprised and delighted to see Russ and Dee Farley at Joby's last week. Russ is up here planning strategy as to how they are to get a good buck apiece. They must be prepared to do better than last year, because their score was a dismal nothing then. Russ and Dee were neighbors here a year or two ago. He is with the board of equalization, and is presently living in Sacramento.

Another Fire

About an acre of ground was burned over on the property of Mr. Summerfield at Incline Beach. The North Tahoe Fire Control unit was on hand to put it out in short order. It only was a small blaze but big enough so it could have grown into something disasterous. The fine work of the firemen still is something to talk about.

Sports

The biggest weekend as far as sports is concerned was enjoyed by visitors and locals. The Brockway Golf Course was simply packed with hundreds of players and many locals had an opportunity to see their favorite stars both of screen and sport. It was reported the most successful in years. And then again in the Mile High boat races attracted thousands of persons to the commons at Tahoe City. It took around a dozen highway patrolmen and Placer County deputies to control the traffic that reached from Lake Forest to the city, and the best of it all was the grandest weather one could wish for, and the lake was like a mill pond. One day didn't seem half long enough for such an event. I understand the Lake Tahoe Chamber officials were very pleased with the day and thank all the local people for their enthusiastic support.

Bought and Sold

The Sportsmans Port at Tahoe Vista, once owned by Gil Ballard and then by Walter Fremier, has been sold by Jerry Cornell to Harry T. Sallmon. With Harry is Junior Harry and wife, Iris W. The Sallmons are from Apple Valley and Oakville where they own a ranch. The family are very much enthused at the prospects for next season's business and naturally many improvements will be in order. I am told that Jerry will move to San Francisco where it is thought he will enter the used car business. We wish him all kinds of luck in his new venture.

P. O.

Carol Howard, our Kings Beach postmaster, informs me that the postoffice will only be open from 9 a.m. until 5 p.m. starting September 15 but the mail will continue to go out at 3:30 p.m. until further notice.

Closed

The Brockway Bakery opposite the Brockway Theatre have closed for the season after a very good business year. Red Waddell of frostie fame, says no sooner you get your head above water, ker Plomk down you go again, but contrary to other years there are a lot of people staying over. Must be the hot weather that the southland has been getting.

Open Soon

Have you been watching the Stop 'n Shop building going up. It won't be long now til they will be in full swing again.

Building

Activity in the building line seems to be pretty real in the Tahoe City area. I was informed that several permits for motels have already applied for and the roads are already in on Highlands tract.

For some weeks we have been looking for this news, it has been rumors up to now, but this is authentic. W. H. "Wendy" and his wife, Ginger, Schumacher have purchased the grocery store of the Bob Smiths, known as Tahoe Food Center, opposite the postoffice in Kings Beach. Both Wendy and Ginger are well known in Kings Beach. All summer Wendy was the butcher in Smiths, and Ginger has been a beautician in Lillian King's. They take over on Friday the 16th. Congratulations, Wendy and Ginger. The former owners, Bob and Mrs. Smith, will keep their apartment over the postoffice til the new year, but are taking a trip through the northern part of the country in the meantime. They have earned a rest.

Legal Notice

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date, September 12th, 1955

Whereas, I was on the 1st day of September, 1955, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated September 7th, 1955) to sell at public auction, for cash in lawful money of the United States, certain tax deed property, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 17th day of October, 1955, at the hour of 2 o'clock P.M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

(Description)
In Donner Lake Co's Lakeview Subd. Lot 10 Blk 2

Lake Tahoe, on the California-Nevada border, is one of the world's largest, highest and deepest mountain lakes.

Last assessee: Jno. H. Trayner.
Minimum price $160.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

ELMA HECKER,
Tax Collector of Nevada County, State of California.

First Publication: September 22nd, 1955.
Second Publication: September 29th, 1955.
Third and Last Publication: October 6th, 1955.

IT'S WISE TO ADVERTISE!

Drunk Driver Explains How He Fell Off Wagon

SACRAMENTO (CNS)—In its monthly report to Governor Knight, the California Highway Patrol described an arrest for drunk driving.

It seems the driver was at the wheel of a water wagon, which overturned in the ditch.

The driver's explanation of the accident was that "I fell off the water wagon."

SMOG NOT SERIOUS

SACRAMENTO (CNS) — Gov. Goodwin J. Knight declared that smog conditions in Los Angeles at present are not serious enough to warrant his declaration of a state of disaster.

Tahoe-Truckee School District News

KINGS BEACH SCHOOL

Kindergarten-First Grade: School opened with 33 children in the kindergarten and first grade. There are 14 children—five boys and nine girls—in the kindergarten. The first grade has 19 children—eight boys and 11 girls.

The reading readiness book for the first grade this year is Stories in Pictures.

Carl Christiansen brought his two goldfish, Minnie and Finnie, to stay in our classroom. The first graders made a chart story about them entitled, "Carl's Fish."

Second and Third Grades: There are 38 children in our room. Eighteen children are in the second grade and 20 are in the third grade.

Every boy and girl who has a perfect attendance record this entire school year will attend a theatre party given by our teacher, Mrs. Wing.

Our supply of story books arrived from our district library. We read them when we finish our regular class work.

Friday, during art period we made crayon etchings. The following children completed theirs: Ronnie Baker, Penny Cassidy and Pamela Powell.

The Kings Beach Elementary School this week welcomed to its town and buildings a new teacher and principal, Raymond B. Bisio, from the town of Menlo Park. Mr. Bisio will also teach the fourth, fifth, and sixth grades.

In class this week, Greg Tompkins constructed from material of his own and his father's a glass ant village complete with native ants rounded up the neighborhood.

Kenneth Bailey brought from home to class a fish tank and some fish that he caught from the lake.

The Kings Beach School can now boast of a record enrollment of 110 children of both sexes.

Minnie Wagner, cook, had remarked that all the children are doing a lot of eating this year. The staff personally thinks that this is due to the ability of the cook.

Because of growth in the school Mel Throop has been assigned to the job of full-time custodian.

DONNER TRAIL SCHOOL

We have 31 enrolled in our school this year, 17 boys and 14 girls. This is the first year the boys and girls have been even near an equal number.

This year we are going to study Industrial America with emphasis on California in the older group. The younger children will study all about our homes, our community and the school. They will also study a unit on transportation.

Books, pencils and assignments have all been given out and we are ready for another year.

TAHOE LAKE SCHOOL

Kiindergarten-First Grade: We have decided that we go to school to learn things. We want to learn so when we grow up we can do different kinds of work. What we want to be: Jimmy Bechdolt, own a golf course; Bro. Shontz(a fireman; Bobby Litke, a cowboy; Denise Henrickson, a bride; Taber Griswold, a bride; Skip Wagner, gas station guy; Raw Lee Grahn, a housekeeper; Sammy Glasser, an ice cream man; Jon Kehlet, service station man; John Spitsen, worker man-like a cowboy; Vicki Jones, a nurse; Tommy Barr, a plumber; Chuck Edge, a policeman; Skippy Scott, doctor and army man; Mike Dempsey, a fireman; Chris Beavers, emergency man—like ambulance driver; Jimmy Henry, fire engine man; Johnny Carnell, dump truck driver; Tommy Carnell, dump truck driver; Barbara Broyles, a nurse; Barbara Neilsen, a nurse; Dwight Lang, business agent; Anna Marie Conners, a bride; Caroline McLane, a restaurant lady.

First and Second Grades: We have 30 boys and girls in our class this year.

Third and Fourth Grades: Our room is learning about safety. We have a listening, thinking and doing club in our room.

Fifth and Sixth Grades: Our class has elected officers for the month of September. President is Jeri Grinsted, vice president is Danny Conners, and secretary-treasurer is Sandy Fellows. There are several new pupils in our room. They are: Jean Heggie, Fred Heggie, Blaine Sebert, and Ronnie Faughn. We have 16 fifth graders and 15 sixth graders.

TRUCKEE ELEMENTARY

Kindergarten: Some of our milk monitors for this week have been Susan Schuler, Beverley King, Pamela Horman, Michael Kydd, Robert Goldsmith and Kenneth Bretthauer.

There are 19 boys and eight girls in our class.

First Grade: The first grade unit in social studies is "The Home and Family." We will study about the building of a house and the many things it takes to make a house into a home. We will learn about the members of a family and the duties of each in a home.

Second Grade: As our social studies unit is "Trains," we have been talking about some of those used in olden times.

In dramatic play we had a crew consising of Courtney Lewis, Doug Nelson, Larry Digesti, Monte Straub, John Besio, Randy Russell and Ricky Ralphs building the railroad from the East, and another crew consisting of Diana Pankoke, Jo Anne Costa, Jackie Finnegan, Fosten Wilson, John Sturcke and Charles Hintz from the West. Debbie Ellis, Alexandra Cushing, Ann Morey and Dawn Maynard drove the golden spike at Promontory in the Utah mountains where the two rails met. The ceremony was witnessed by many spectators who had come to see this historical event. The spectators were Claudia Ayala, Kathleen Kenyon, Eileen Olson, Christine Charley, Karen Walker, Candy Hamilton, Julie Knoff, Kevin Larrivee, Edna Arterburn and Rocky Young. A locomotive from the East with Sherry Borden as the engineer and Kennet Hensley as the fireman, and one fro mthe West with John Goldsmith as engineer and Dennis Richards as fireman met at the tracks were completed.

Another event which was portrayed was the race near Baltimore between Peter Cooper's "Tom Thumb" and a horse. Alexandra Cushing took the part of the small locomotive, while Debbie Ellis was the horse driven by Anne Morey. The horse won the race, as the iron horse broke down.

Third Grade: Everyone seemed happy to be back in school once again. The room-helpers chosen were Marcia Leamon, Judy McGwinn, books and materials; Eddie King, windows; Steven Van Sickle, Skipper Jensen and Gordon Petersen, mid-morning snack; Jimmy Roth, balls and bat; and Gregory York, guests.

An interesting report was given by Steven Van Sickle on his trip to Alaska last year.

Fourth Grade: Our class began its year by choosing class officers for the first month of school. They are Toni Hallet, president; Jeanne Croxen, vice president; Leilani Braasch, secretary; and Steve Besio, treasurer.

Fifth Grade: The fifth grade is studying about pioneers and maps. Maps are used to show trade routes, population, rainfall, land and water forms, products, ocean currents, and many other things.

Sixth Grade: Our class initiated their study of Canada by deciding upon the committee topics for investigation and presentation last week in preparation to intensive study.

We also elected class officers for September. They are Charles Glen, president; Carol McKinley, vice president; Terry Walker, secretary; and Francie McGwinn, treasurer.

Among those who are trying to qualify as the telephone monitors, and who are currently taking their try-out period are Kathleen York and Linda Giovannoni.

Safety Council by David Pankoke: The fifth and sixth grades had a meeting on safety. Members of the council are Mike Armstrong, who was the chairman, Jimmy Osburn, Barry Leamon, Joe Cabrera, Patsy Jansen, Francie McGwinn, David Pankoke and Mr. H. J. Smith. There will be a safety rules to obey and to help make it safe at school and on the streets. The council is in charge.

RESORT NOISE IS ORDERED STOPPED

RENO—A district court judge granted Edward E. Hills, member of the Hills Brothers coffee family, a temporary injunction probibiting Cal-Neva Lodge at Lake Tahoe from using loudspeakers to broadcast bingo and other gambling games.

Hills' attorneys asked that the injunction be made permanent.

Hills, who has a summer residence nearby, complained the lodge used loudspeakers "for the specific purpose of annoying" him and that the broadcasting was "blatant, extremely loud and offensively noisy."

Last June, Hills and other members of his family filed a $45,000 damage action against the lodge charging their property had been misused during construction at Neva.

REUNION FEATURE OF HOMEWOOD MEET

HOMEWOOD—Renewing their acquaintance with friends of 21 years ago, the family of George Apperson, 87 years of age, held a dinner and reunion at Homewood Resort during the weekend, including his sons and their wives, Mr. and Mrs. Walker Apperson of Sacramento and Mr. and Mrs. Philip Apperson of Boise, Idaho.

The senior Apperson was an assistant of Mrs. Annie Yost, owner of the popular resort more than 20 years ago, Walker was engaged as mail clerk and is now auditor for the Ransome Oil Company in this area. Philip also worked here during the summers.

SCOTT IS GRANTED TAHOE BOAT RIGHTS

SAN FRANCISCO—The California Public Utilities Commission has granted the application of Edward B. Scott, operator of the Lake Tahoe Navigation and Supply Company, for a certificate to operate a passenger boat service between points on the California side of the lake.

Scott pointed out in his petition to the PUC and at the hearing held in Tahoe City he has held an interstate commerce commission certificate for service between California and Nevada points for several years and his operators have ICC licenses.

The state agency held the service he proposes between California points would be a public service. Scott plans to operate a scheduled service between about June 1 and September 15 and "on call" service the remainder of the year.

NOTICE TO BIDDERS

Notice is hereby given that the Governing Board of the Tahoe-Truckee Unified School District will receive sealed proposals at the office of the Superintendent, at the Tahoe-Truckee High School, Truckee, California, up to, but no later than 5 p.m. on Monday, October 3, 1955, at which time and place said proposals will be opened for furnishing, installing and maintaining; or for furnishing and installing a mobile radio-telephone system.

Proposals shall be presented in accordance to the specifications and related documents on file in the office of the Superintendent of the Tahoe-Truckee Unified School District.

The Governing Board of the Tahoe-Truckee Unified School District reserves the right to accept or reject any or all bids in part or in total, to waive any irregularities, and to be the sole judge of suitability and fitness of products offered.

Bidders are required to furnish a certified check in the amount of ten (10%) per cent of the bid to quarantee faithful performance of contract.

By order of the Governing Board, Tahoe-Truckee Unified School District.

DENIS A. SACH, Clerk
Governing Board

WATER SYSTEM AT LAKE AUTHORIZED

SAN FRANCISCO—John P. Fabian has been authorized by the State Public Utilities Commission to construct and operate a water system in a 160-acre tract two miles northeast of Tahoe City at the north end of Lake Tahoe.

The PUC said Fabian stated he was going to divide the property into about 300 lots and he expected to spend $35,700 initially to build the water system.

TAHOE HOTEL IS OBJECT OF ACTION

RENO — The Washoe County commissioners have instructed District Attorney A. Dyer Jensen to compel owners of the Tahoe Biltmore Hotel at Crystal Bay, Lake Tahoe, to corect a health hazard.

Wallace White, state sanitation engineer, told the commissioners the hotel operates its own sewage plant but residue from the plant has created offensive odors and numerous complaints have been registered.

The hotel is owned and operated by Sanford Adler, Louis Mayberg and Charles Resnik.

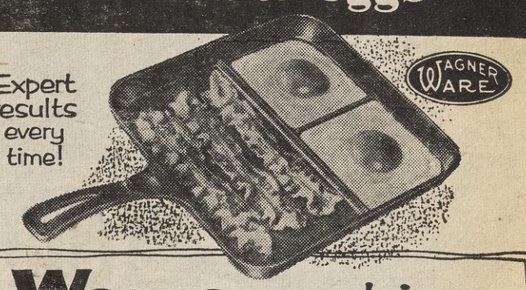
Wonderful way to fry bacon and eggs



Wagner cast iron breakfast skillet

Introductory price **$1.69** (Regular price $2.15)

The separate egg compartments prevent the eggs from spreading all over the skillet. The separate bacon compartment controls the melted fat, allows the eggs just enough grease for perfect texture, tenderness, and flavor. This skillet is made of WAGNER cast iron—thick cast iron—which prevents foods from sticking. Heat is held at an even temperature all over the skillet; there are no hot spots. Handle has comfortable thumb rest.

Even in the toughest operating conditions, you can be sure your differential and transmission gears are fully protected against wear by keeping the cases filled with RPM Multi-Service Gear Lubricant.

It withstands the extreme pressures that develop in spiral bevel and hypoid gears. RPM Multi-Service Gear Lubricant forms a lubricating, wear-resisting coating on gear teeth. This lubricant stands up in high operating temperatures, resists oxidation. And it contains an anti-foaming agent that helps control expansion and prevent leakage. For extra gear protection, order RPM Multi-Service Gear Lubricant today.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Beautiful weather prevailed throughout the weekend, with a calm lake accommodating the motor boat races, and plenty of warm sunlight for the golf tournaments. Local distribution on both these annual events was held up till too late for the deadline, but all the results will be out with the regular news service.

The Races

Henry J. Kaiser's new boat, the "Hawaii-Kai," got off to a poor start and lost out in the first heat of the races when a small part of its mechanism was torn off at the start. However, after repairs, the fast craft made up for lost time in the second and third heats. At the beginning of the second heat a bouy, which has been floating off shore from the Tahoe City pier for a number of years, was torn out of its moorings by accident, but its absence didn't seriously affect the racing course. The entire list of entrants in the races numbered 75, and it was estimated there were twice as many of the large racers than have ever been listed before for the annual Gold Cup Regatta. The famous racer "Short Snorter," owned and driven by Stanley Dollar, Jr., was the winner of the trophy in the first of these annual events when they were staged here in the late summer of 1953. The winner in the second Mile High events, put on at the South End in 1954, was the "Scooter," owned by Kaiser and piloted by Jack Regas. In this summer's events the Gold Cup Trophy was awarded to the "Breathless," owned by J. Philip Murphy and driven by Floyd Ciochon, who was a last minute replacement for the former driver, Jay Murphy.

Aldrich Speaks

Guest speaker for the Tuesday luncheon-meeting of the Tahoe City Rotary Club, held as usual at the Tahoe Inn, was Henry (Hank) Aldrich, a Tahoe summer resident and breeder of the finest race horses. Hank has had wide experience with horses since, as a boy of 11 years he worked among them on his father's ranch, and during his talk he told of occurances in the course of his experience which bear out his sincere belief that horses are endowed with high intelligence, and have real reasoning power. Besides their summer home on the lakeshore, the Aldrichs own a large ranch near Folsom Valley where they raise race horses.

Nineteen visiting Rotarians attended this meeting, besides the usual number of regular members. At this time President Vernon Bartell announced that on September 18 a golf tournament will be staged here between the members of the Rotary clubs and the Lions. The barbecue supper will be served in the open on the golf course grounds, and the club who are losers in the game will bear the expenses.

Winter Openings

Lake resorts that are reported planning to open for the winter season this year include Tahoe Tavern, the Monte Carlo Night Club, a new place just completed this summer at Crystal Bay, the Ta-Neva-Ho business block will close for about a month this fall for renovations, and will open again for the winter sports. Cal-Neva Lodge is also reported to be keeping open through the coming winter season.

Sunday School

After a summer of continual good attendance here, and with the beginning of the early fall season, the Community Sunday School in Tahoe City invites everyone to attend the services held each Sunday in the Community Center here. Regular Sunday school services will continue throughout the winter, starting at 9:45 each Sunday morning. Superintendent Evie Waters is in charge, assisted by the following teachers: Mrs. J. E. Broyles teaching beginners, Mrs. Beccy Shontz in charge of the primary, and Mrs. Violet Polnin instructing the juniors.

Enters College

Miss Carol Wilson, daughter of the Van Wilsons of Lake Forest, left early last week for Sacramento where she planned to attend the State Fair before entering upon her second term in college there. Carol was on the honor roll during her first term, and she is still majoring in music. Her second college term began on September 12. She spent most of the past summer season here as the manager of the Bay View Rest Gift Shop.

Has Birthday

At the A. B. Nielson home on the highway maintainance property here during the past week, little Barbara Nielsen celebrated her fifth birthday, with her mother acting as hostess to a delightful party in her honor. There were pink and white refreshments, which included a five-candle cake. Young guests who partook of the same and played games afterward included Janet and Barbara Broyles, Anne and Sally Starratt, Dwight Lang, and the honoree's brother, Dick. Houseguests in the Nielsen home last week were Mr. and Mrs. S. N. McLaughlin and daughter Sandra, from San Anselmo. Mrs. McLaughlin is Mrs. Nielsen's sister. During the visit McLaughlin and Nielson put in one day and night on a back country fishing trip to Miller and Richardson lakes, and some of the higher lakes and streams.

Baby Born

An eight-pound baby girl was born during the past week to Mr. and Mrs. Leo Wyrsch of Kings Beach. Wyrsch operates a contracting business on the lake during the summer season. The baby was born in Woodland where the family spend most of their winters. She has been named Elizabeth Anne, and she is the first girl in the Wyrsch family, having been preceded by three older brothers.

Tahoe Visitors

Visitors in Tahoe City over the past weekend included Mr. and Mrs. John Gibson of Pasadena, parents of Mrs. Helen Beaverson of this city, who were houseguests here in their daughter's home. Another guest was Arthur Drumom dwnho visited the Beaversons on this way to Rye, New York, where he plans an extended vacation with his family.

Daughter Visits

A weekend visitor in the C. W. Vernon home was their daughter, A1c Florence B. Vernon, who spent her off-duty time at home this week to view the Gold Cup motor boat races.

At Lake Forest

Mr. and Mrs. Al Ross and daughters, Darcy and Sherry, of San Marino spent the past ten days vacationing in their summer home in the Lake Forest locality. Ross' brother Alvin, with his wife and son, were also visitors there during the past week from their home in Oakland.

Beaver Control Areas In State Are Expanded

Because of a large increase in the number of beavers and damage caused by them in northern California foothill and mountain counties, the beaver control areas of California have been expanded by the fish and game commission.

New areas now include the following:

All or parts of Lassen, Modoc, Siskiyou, Humboldt, Tehama, Shasta, Sierra, Plumas, Alpine, Fresno, Madera, Merced, Mariposa, Tuolumne and Stanislaus.

Beavers may be commercially trapped in these areas under permit, which can be obtained from the regional office of the department of fish and game in which the county to be trapped is situated.

Total beaver trapping quotas are for 3020 beavers. Boundaries of control areas may be obtained from regional offices of the department.

Southern Pacific Will Purchase 185 New Diesels For 34 Million

Orders for 185 diesel locomotive units have just been placed by Southern Pacific at a cost of about $34 million, it was announced today by D. J. Russell, president of the railroad.

First deliveries on these large orders will be made in November, Russell said, with all the locomotive units scheduled to be in operation throughout the railroad's eight-state transportation system by next May.

Most of the new diesels will be assigned to main line freight service, increasing the number of districts on the railroad where complete dieselization will be in effect, it was pointed out. Diesel locomotives currently are handling 86 per cent of SP's gross ton-miles of freight, 87 per cent of passenger train miles, and 81 per cent of yard switching on the railroad's system.

The new orders will increase Southern Pacific's diesel fleet to a total of 1846 units representing an approximate cost of $290 million, for a total of more than 2½ million horsepower, the rail president said.

Acquisition of theadditional 185 units of diesel power will make it possible for the railroad to retire more than 170 steam locomotives of various types, according to the announcement.

Orders for the new diesel units have been placed with Electro-Motive Division of General Motors Corp., Alco Products, Inc., and Fairbanks-Morse & Company.

Belated Report Says Tahoe Resort Man Too Tired To Help

RENO—Belated report filed with the Washoe county sheriff's office indicated a Lake Tahoe resort operator was "too tired" to aid and 18-year-old youth who suffered major injuries in an automobile accident.

The youth, Michael Bermani of Los Angeles, submitted a statement to Washoe county sheriff's deputies that an Incline resort manager declined to aid him even though offered a $5 fee for his assistance.

Bermani said he was injured seriously when an oncoming automobile forced his car off the road near Incline. He said he was knocked unconscious in the upset.

When he awoke, the youth walked to the resort and awoke the manager. When he was refused aid, he walked an additional five miles to his room at Brockway and collapsed in bed.

The next day a doctor ordered him taken to the Tahoe Forest Hospital in Truckee. Sheriff's reports of the incident listed his injuries as "major."

The accident occurred August 11, but was not investigated by the sheriff's office until recently, when the youth filed his accident report and statement at Crystal Bay.

Selection Of Park Sites Will Be Object Of Meet

Residents of Nevada County have been invited to submit recommendations for an official list of recreational areas within the county which may be approved as state parks.

The invitation was extended by A. T. Parsons, planning consultant for the Nevada County Planning Commission, following receipt of a letter from Louis G. Sutton, chairman of the senate interim committee on recreation, state parks and beaches.

Several possible areas were mentioned, Parsons said, and it was decided at the meeting held a week ago that at the next regular meeting September 27 at 7:30 p.m. in the supervisors' chambers at Nevada City that the session be given over largely to hearing suggestions. Any writer recommendation, he added, will be given full consideration.

Brown Issues Ruling On Water Pollution

SACRAMENTO (CNS)—Attorney General Edmund G. Brown has held that water discharged into streams from abandoned mining operations is classified as industrial water under state water pollution law.

Brown ruled that both the owner of the land and the owner of the mineral rights are subject to waste discharge requirements of the law.

The opinion was requested by the state water pollution control board.

Korean War Veterans In State Now 250,000

Korea war veterans in California have reached a quarter of a million, according to John T. Trauner, county service officer, who quoted the most recent veterans administration figure.

"In addition to these 250,000 ex-servicemen," he said, "some 64,000 other veterans saw service twice—first in World War II, and then in the Korean conflict period. If they are all counted as Korea veterans, their total outnumbers the World War I veterans in this state."

Trauner pointed out that most men and women who are properly referredto as Korea veterans were not stationed in the vicinity of Korea at all. "It's the time, not the place, of service that counts," he said. "Korea veterans are all those who were in the armed forces between June 27, 1950 and January 31, 1955.

"However," he warned, "in order to qualify for most veterans' benefits an ex-serviceman must have at least 90 days' duty. This is true with regard to the Korean GI Bill, which offers home loan guaranties and educational allowances. It is also true of "Cal-Vet" home purchase and educational assistance. State civil service preference requires at least 30 days' duty, although federal veteran job preference does not include this requirement."

Trauner said an exception to the minimum duty rule exists for those who became service-disabled before having served that long. Such a disability may mean additional preference in civil service standings.

A number of other important benefits are available to Korea veterans. Information about any of them may be obtained from the county service officer, 255 South Auburn street, Grass Valley.

Benefits Of Membership In North Tahoe Fire Control Emphasized

KINGS BEACH—Benefits from memberships in the North Tahoe Fire Control are deserving the the favorable comments from residents of this region and one such expression is being repeated as an indication of this fact.

With a lot assessed for $100, his membership dues total $10, but Loring Folger, the owner, added a contribution of 50 cents as a gesture of his appreciation, with the following note to the control officers:

"Being involved in a car accident last March which left me very short of funds since then, and only now do I feel I can afford to become a member of your organization; so, although somewhat late in the season, please find enclosed my check covering membership dues for the stated period. Next year I hope to be able to contribute something more substantial that just 50 cents, though my lot is assessed at only $100, being half sized and unimproved.

"Having worked for both the U. S. Forest Service and the State Division of Forestry as a fire fighter, and living beyond the coverage of any municipal or volunteer fire department or district, I am more interested than in some in your work and problems. Best of luck in your enterprise."

PATRONIZE LOCAL MERCHANTS

We had another successful outboard regatta this past weekend, I'm sure that everyone who saw it had an enjoyable afternoon. I wish to personally thank all of you swell people who worked so long and hard to make this additional treat of the season a real success.

* * *

I believe that the time has arrived for everyone in this fine community of ours to give serious consideration to our constitutional right. By that I mean self government— incorporation of our town. Surely we are capable of spending our own tax revenues and administering to our own community. We pay taxes to our seat of government, yet we have but one man on the board who represents us, and knows our problems. Therefore we seldom receive our fair share of the benefits which are rightfully ours because we allow men who have little or no interest in our affairs to spend our monies for us. Now that we have every indication of a large population increase for our area, our seat of government should be here with the people it represents.

* * *

The board of supervisors again delayed action on our request for more police protection for this area. It seems that they are waging a delaying action, hoping that we will forget, and no action will be necessary at this time. It has even been suggested that our undermanned sheriff's department should send one of his deputies up here. It seems to me that we citizens, the taxpayers of the county, are entitled to good government, and our tax base seems to be adequate to give us that government, of which law enforcement is a necessary part, to protect the people and the valuables of the county which make government possible. The eastern half of our county, our half, has one-third of the assessed valuation of the county and one-tenth of the protection for this share. It is this column's belief, and I believe the figures will bear me out, that the entire staff of the law enforcement agency of Nevada County is undermanned, and the supervisors would do well to review the whole picture, and give our sheriff the additional help he needs to give the county the proper protection it needs, which good government represents.

—HAL WELCH

On Vacation—
Mr. and Mrs. E. A. DeLisle and family are spending a few days vacationing at Stinson Beach.

CARD OF THANKS
We would like to express our appreciation to all organizations, business and individuals whose cooperation helped make the third annual Mile High Gold Cup race a success.

TRUCKEE SANITARY BOARD

Honest Woman Finds Valuable Watch At Resort; Owner Happy

Diogenes, the ancient Athenian philospher would have been gratified in his search for an honest woman by adding to his list the name of Miss Marion Palmer of San Francisco, Mrs. Roxie Archie gladly verifying, following the loss of her wristwatch on Sunday evening.

Mrs. Archie and her brother, Richard Joseph, had visited several places at Crystal Bay and when ready to return home, noticed the watch was missing. Retracing their steps, the local people asked at each place if the valued gift had been turned in to the management.

At the last establishment contacted, they were given a slip of paper with the information written by Miss Palmer who had found the jewelry, after she had struck it with her shoe.

Mrs. Roxie went to the Brockway Pines Cottages where Miss Palmer was visiting and upon being identified, the time piece was restored to the happy owner.

Smart's to Open

Continued from Page One

lounge from the cafeteria is the kitchen with its huge walk-in refrigerator, stoves, work and service tables and everything complete in stainless steel. A large pantry, storerooms and rest rooms for employes are all new and modern in each detail. The cafeteria is 48x32 and occupies the east section of the building which faces Highway 40, with a north entrance.

All the equipment is new and of the latest design, with furniture selection for convenience and comfort. The acoustically constructed ceiling and walls provide a quiet atmosphere and from the full basement with its heating units and air conditioning facilities, comfort of the guest is assured.

The building was designed by Rex Reid, local contractor, who is in charge of the work. Sub-contractors include: Metal Products Company, Truckee; Don Barkhurst, Tahoe, electrical installations; George Buchanan, Reno, plastering and stucco; Eng-Skell Co., San Francisco, equipment; H. L. Owens, Truckee, refrigeration; Tahoe Plumbing Company, plumbing; Marina Linoleum Co., floors and walls; Floyd Carnell, Tahoe, painting; Ancor Roofing Co., roofing; Fuller Glass Co., Chico, glass installation; Lloyd Cornelius, masonry and Jerry Lewis, Truckee, leveling and paving, gas installation by Truckee-Tahoe Fuel Co.

WILL RETURN
Dr. and Mrs. Sidney Kase of the bay area were in Truckee during the weekend. Dr. Kase, currently serving with the U. S. Navy and who has been plying between San Francisco and many foreign ports as transport physician and surgeon, said he would return to Truckee to resume his general practice as soon as he is discharged early next year.

AUTHOR SPEAKS AT ROTARY MEETING

KINGS BEACH—Vice President H. E. Brooks presided at the regular meeting of the Brockway Rotary Club on Monday night.

Visiting Rotarians from Catalina-Tucson, Tahoe City, Reno, and Williamton responded when called upon for introductions; making a total of ten visitors.

Later the meeting was turned over to Program Chairman Hank Dodd, who presented Gunther Reinhardt as the guest speaker. Reinhardt is at present residing at Brockway, while writing a book on the life of Lucky Baldwin. Thus during his talk he brought out the highlights of Baldwin's life which were not only interesting but in many instances very amusing.

Saturday night, September 17, there will be a joint meeting with the West Sacramento Club, which will be a ladies' night, also.

There will be no meeting next Monday night, due to the Saturday night meeting.

At Home—
Angelo Besio was confined to his home early this week with a throat infection.

Fishing in Trinidad—
Mr. and Mrs. Harold Langille are in Trinidad, while the salmon are running.

Planning Meet—
A planning meeting of the Cub Scouts on Monday, September 19 will be held at 8 p.m. in the home of Darol McGihon. To begin the fall season all committeemen and den mothers are urged to be present.

Local Patients—
Local Tahoe Forest Hospital patients last weekend included Miss Jane Vinson and Mrs. Charles Merica, both residing at Soda Springs. August Benjamin of Truckee was also said to be a patient in the local hospital.

Miss Moretta Ill—
Miss Menia Moretta, well known throughout this district was reported to be seriously ill at Reno.

To College—
Tony Pace came back last weekend from San Jose where Miss Sharon Pace is attending the State College. Miss Pace has decided upon a science course preparatory to laboratory work.

In Rodeo—
Mrs. Roy Slate went to visit her mother last weekend at Rodeo.

Flys East—
Miss Adele Parsons is in New York, via airplane where she plans to spend several months in a graduate course of surgical nursing. Miss Parsons expects to return to the staff of the Tahoe Forest Hospital.

On Trip—
Mr. and Mrs. William Curran returned home this week from a trip to Monterey.

Hellers on Business—
Mr. and Mrs. Charles Heller have been business visitors in the San Rafael district.

Kalers to Capital—
Mr. and Mrs. J. E. Kaler returned to Sacramento where he resumed his postion at the opening of the school's semester.

Hour Schedule At Tahoe Theaters Is Changed

Managers V. C. Shattuck and Jack Neugebauer of the Brockway and Tahoe Theaters at Kings Beach, today announced that the change in schedule provides for one show nightly starting at 8 p.m. with the box offices open at 7:45. In the past two shows have been featured nightly.

LAKE CHAMBER WILL ELECT ON FRIDAY

The Tahoe Sierra Chamber of Commerce will hold it's annual election at the meeting to be held in Homewood Resort, at noon on Friday, September 16. A large attendance is expected as there will be much activity during the coming year.

It's the Mighty Mite of chain saws

*Actual Dynamometer Rated Horsepower
HOMELITE
Model 17 Chain Saw
No other saw so light . . . so easy to handle . . . packs as much power. Enough power to zip through an 18 inch tree in 18 seconds. Enough power to cut trees 4 feet or more in diameter and to stand up without costly maintenance under steady production cutting. Try it . . . this mighty mite of chain saws . . . the new Homelite Model 17, today.

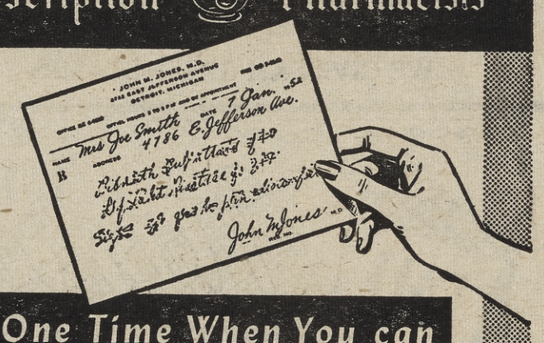
Your Trade in Truckee Dollar Does Double Duty

Prescription Pharmacists



One Time When You can Outsmart Yourself...
Your Doctor's prescription, usually in Latin and technical symbols, is always very exact in its meaning. It conveys his directions perfectly—to your pharmacist. It is best for you not to try to interpret its meaning without professional guidance.
It is our duty to carefully dispense the prescription, and to complete for your use the directions and dosage—exactly the functions for which our specialized education has prepared us. We assure you of best quality, for in our stock are products of Parke, Davis & Company, and other recognized makers of drugs and pharmaceuticals.

Tarzan

by EDGAR RICE BURROUGHS

A HORDE OF BABOONS SURROUNDED TARZAN AS HE CONVERSED WITH THE WILD GIRL, READY TO ATTACK SHOULD HE PROVE TO BE AN ENEMY.

"YEARS AGO I FLED TO THE JUNGLE, AWAY FROM MY CRUEL ARAB FATHER," EXPLAINED THE GIRL. "IT WAS THEN THAT CHEEKA AND HIS TRIBE ADOPTED ME..."

...SOON THEY WERE HUNTING TOGETHER AND FINDING THAT THEIR INTERESTS WERE VERY SIMILAR.

MANY TIMES THEY CALLED ON TANTOR, THE ELEPHANT, TO ESCORT THEM INTO NEW ADVENTURE--

BUT ONE DAY THEIR IDYLLIC LIFE WAS SHATTERED BY A SCREAM OF DISTRESS! "IT'S CHEEKA," EXCLAIMED TARZAN. "I MUST INVESTIGATE!"

DICK VANBUREN JOHN CELARDO

THE APE-MAN SPED THROUGH THE TREES AND SOON DISCOVERED THAT THE HAPLESS BABOON WAS ENSNARED IN A TRAP. 9-18-1280

HE LEAPED DOWN TO RELEASE THE ANIMAL-- UNAWARE THAT A FURIOUS TRAPPER WAS NOW TAKING DEADLY AIM WITH HIS RIFLE!

ELIZABETH -- DAUGHTER OF PETER THE GREAT, OVERTHREW THE RUSSIAN GOVERNMENT WITH *ONE SPEECH!*

FEARING SHE WOULD BE SENT TO A CONVENT FOR LIFE, SHE MADE SUCH A STIRRING SPEECH TO THE TROOPS THAT THEY SEIZED THOSE IN POWER AND MADE HER EMPRESS!

-1741-

A DWARF PINE TREE -- PLANTED OVER 300 YEARS AGO, AND ONCE PRIZED BY THE JAPANESE EMPEROR IYEMITSU (1623-1651) *IS STILL LIVING* AND IS NOW THE PROPERTY OF THE IMPERIAL HOUSEHOLD AGENCY

THE HOME RUN THAT CLIMBED A WALL ...

A BALL HIT TO RIGHT FIELD BY GEORGE CUTSHAW *of the Brooklyn Dodgers* SOMEHOW ROLLED UP THE WALL, HESITATED MOMENTARILY, THEN DROPPED OVER THE WALL! *Ebbets Field, 1916*

ELEUTHERODACTYLUS, A TINY SPECIES OF FROG, SKIPS THE TADPOLE STAGE ENTIRELY --

THE YOUNG EMERGING DIRECTLY FROM EGGS BURIED IN CLAY OR SOFT EARTH!

A MOTHER KILLDEE BUILT HER NEST IN A *SAND TRAP* AT THE 18TH GREEN, RANCHO GOLF COURSE, *Los Angeles, Calif.* A PROTECTIVE COVERING WAS PLACED OVER HER ...

IN 1899, WHEN THE U.S.S. NEWARK RAN OUT OF COAL OFF THE COAST OF SOUTH AMERICA, SAILORS WENT ASHORE TO *CHOP WOOD* ... FOR 21 DAYS THE SHIP WAS OUT OF TOUCH WITH THE WORLD AND THOUGHT TO BE LOST ...

IT COST LESS TO RUN THE ENTIRE GOVERNMENT FOR *ONE YEAR* WHEN GEORGE WASHINGTON WAS PRESIDENT THAN IT DOES TODAY TO SUPPLY *PAPER CUPS* AND *TOWELS* FOR ONE YEAR!

CURLY KAYOE

by SAM LEFF

WHERE'S YOUR DAD, MISS HORN?

HE'S ASLEEP, CURLY... DADDY WAS UP LATE SETTING THE TRAPS FOR THE MANIMAL!

I'M AWAKE — I'LL BE RIGHT OUT!

WOULD YOU LIKE TO CHECK THE TRAPS WITH US TODAY, CURLY?

I SURE WOULD, HUNTER HORN!

HEY, DODGER! WAKE UP-YA LAZY SWAB!

HUH? WHAT'S UP, CAP'N SYKES?

I JUST GOT A TIP THAT THE MANIMAL IS ABOUT TO BE CAUGHT!!

HEH-HEH! HORN DOES ALL THE WORK AND WE'RE GONNA COLLECT ALL THE MOOLAH!

THIS HI-JACK WILL GO DOWN IN HISTORY, DODGER... C'MON!

I'M LOOKING AT IT BUT I STILL CAN'T BELIEVE IT!

HUSH! STAND BACK! AND NOT A SOUND!

HOLY CROW'S NEST! THAT MANIMAL IS FANTASTIC!! IT'S WORTH A MILLION!

QUICK, CAP'N — LEMME PUT MY PEEPERS ON THE CRITTER!

YAHOO! THE MANIMAL IS TRAPPED! THEY GOT HIM!

O.K., DODGER — LET'S GO PICK UP A MILLION SMACKEROOS!
